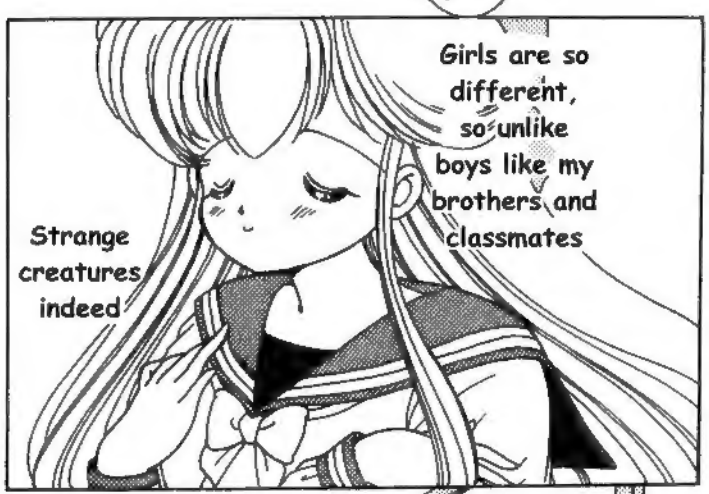
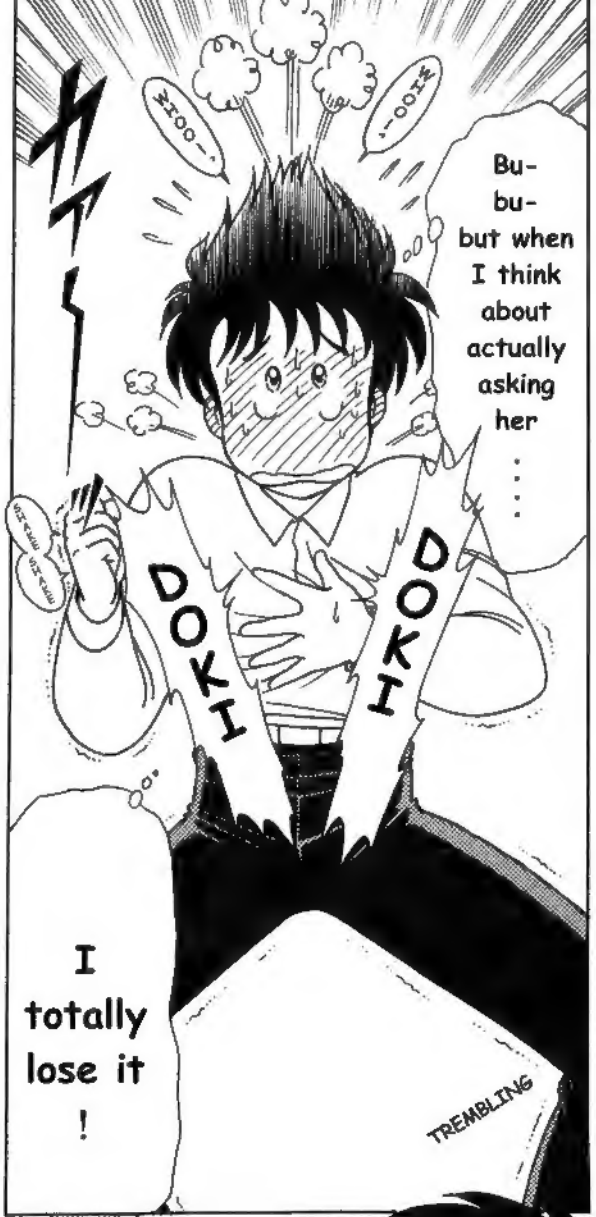
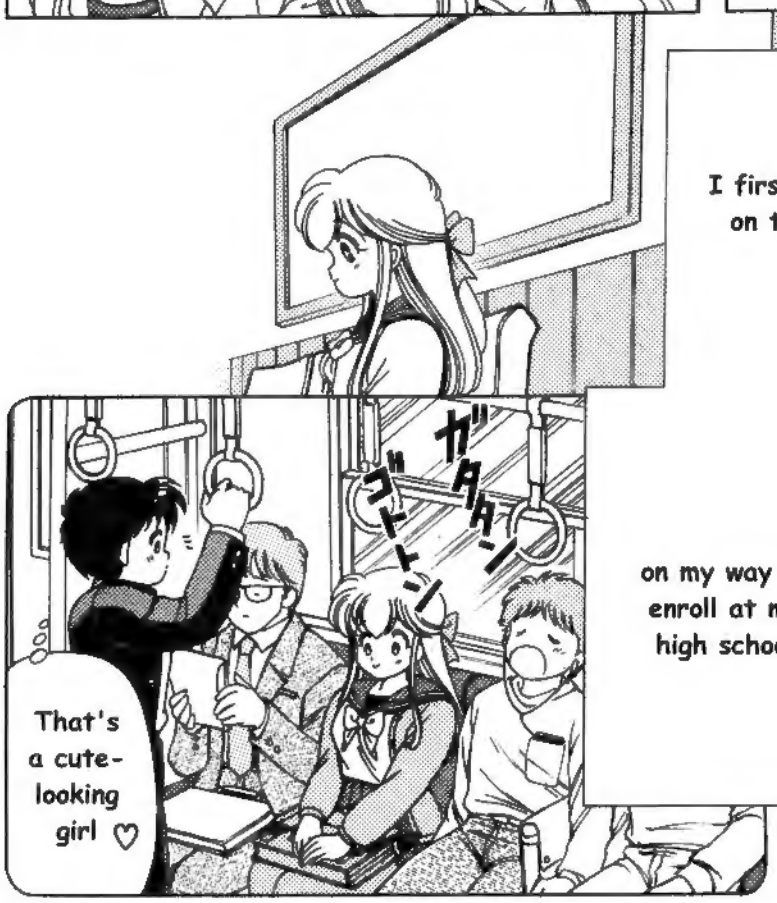
Note: Hanasono = Flower garden
She takes the 7:35 train to school every day
That much I've been able to find out about her
But apart from that?
I want to know a lot more about her
. . .
Her hobbies ?
Does she have a boyfriend or someone she goes out with
I'll ask her out on a DATE !!
And when I do...

My parents only had boys, no girls
It's like I'm allergic to girls...
Swarms of stupid boys
To make matters worse I go to an all-boys school
How could I grow up without finding out about girls
HAA...







SFX: rattle clatter

Please, take my seat !

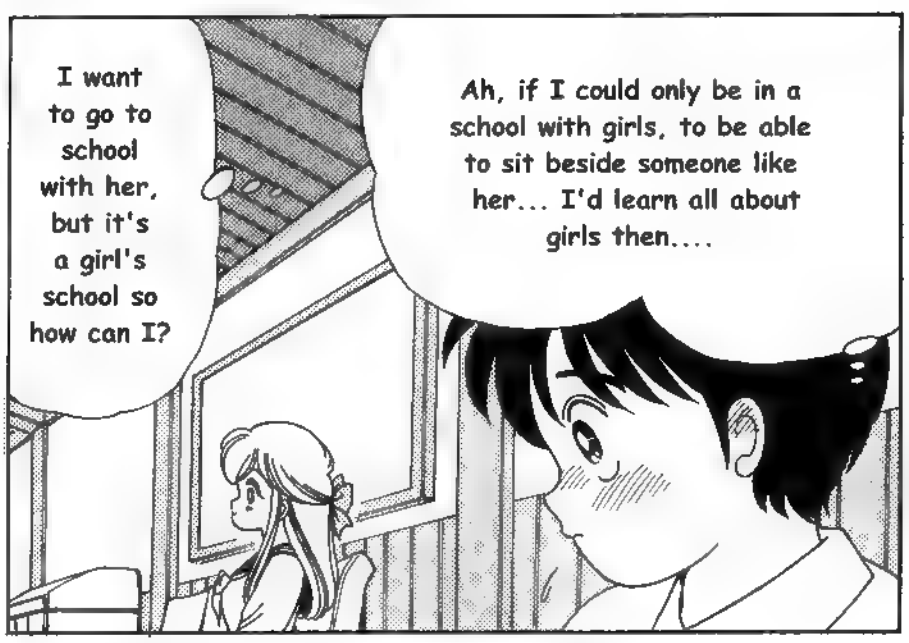
Attention please! Here is a special announcement



I want to go to school with her, but it's a girl's school so how can I?
Ah, if I could only be in a school with girls, to be able to sit beside someone like her... I'd learn all about girls then....

And besides this is a girl's school so I'm surrounded by girls
……

Sitting in a classroom right next to Nana-chan is like a dream come true for me ♡
We see each other on the train but we've never exchanged a single word...
Right, I can't stay too long... but it's nice being here beside Nana-chan so I'll wait until the first lesson is over and then go look for my body.
The gentle sound of her breath
Her eyelashes, they're so looong ♡

Lucky Yuri-chan! You were saved

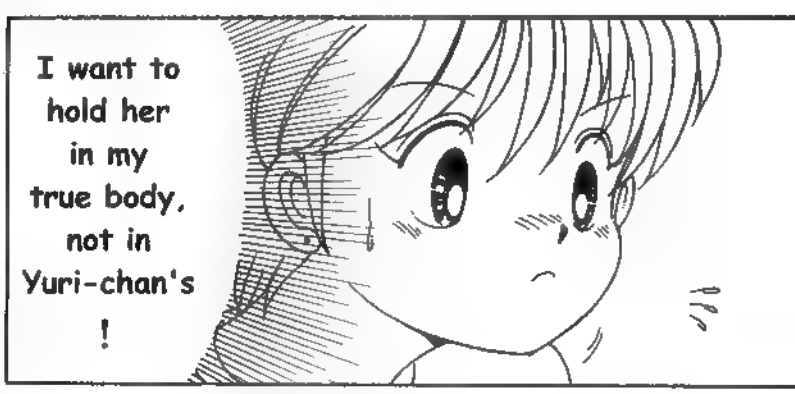
Nana-chan hugged me just now but...

And then I'll confess my love to Nana-chan !!
It's time I got my own body back !!



I want to hold her in my true body, not in Yuri-chan's !

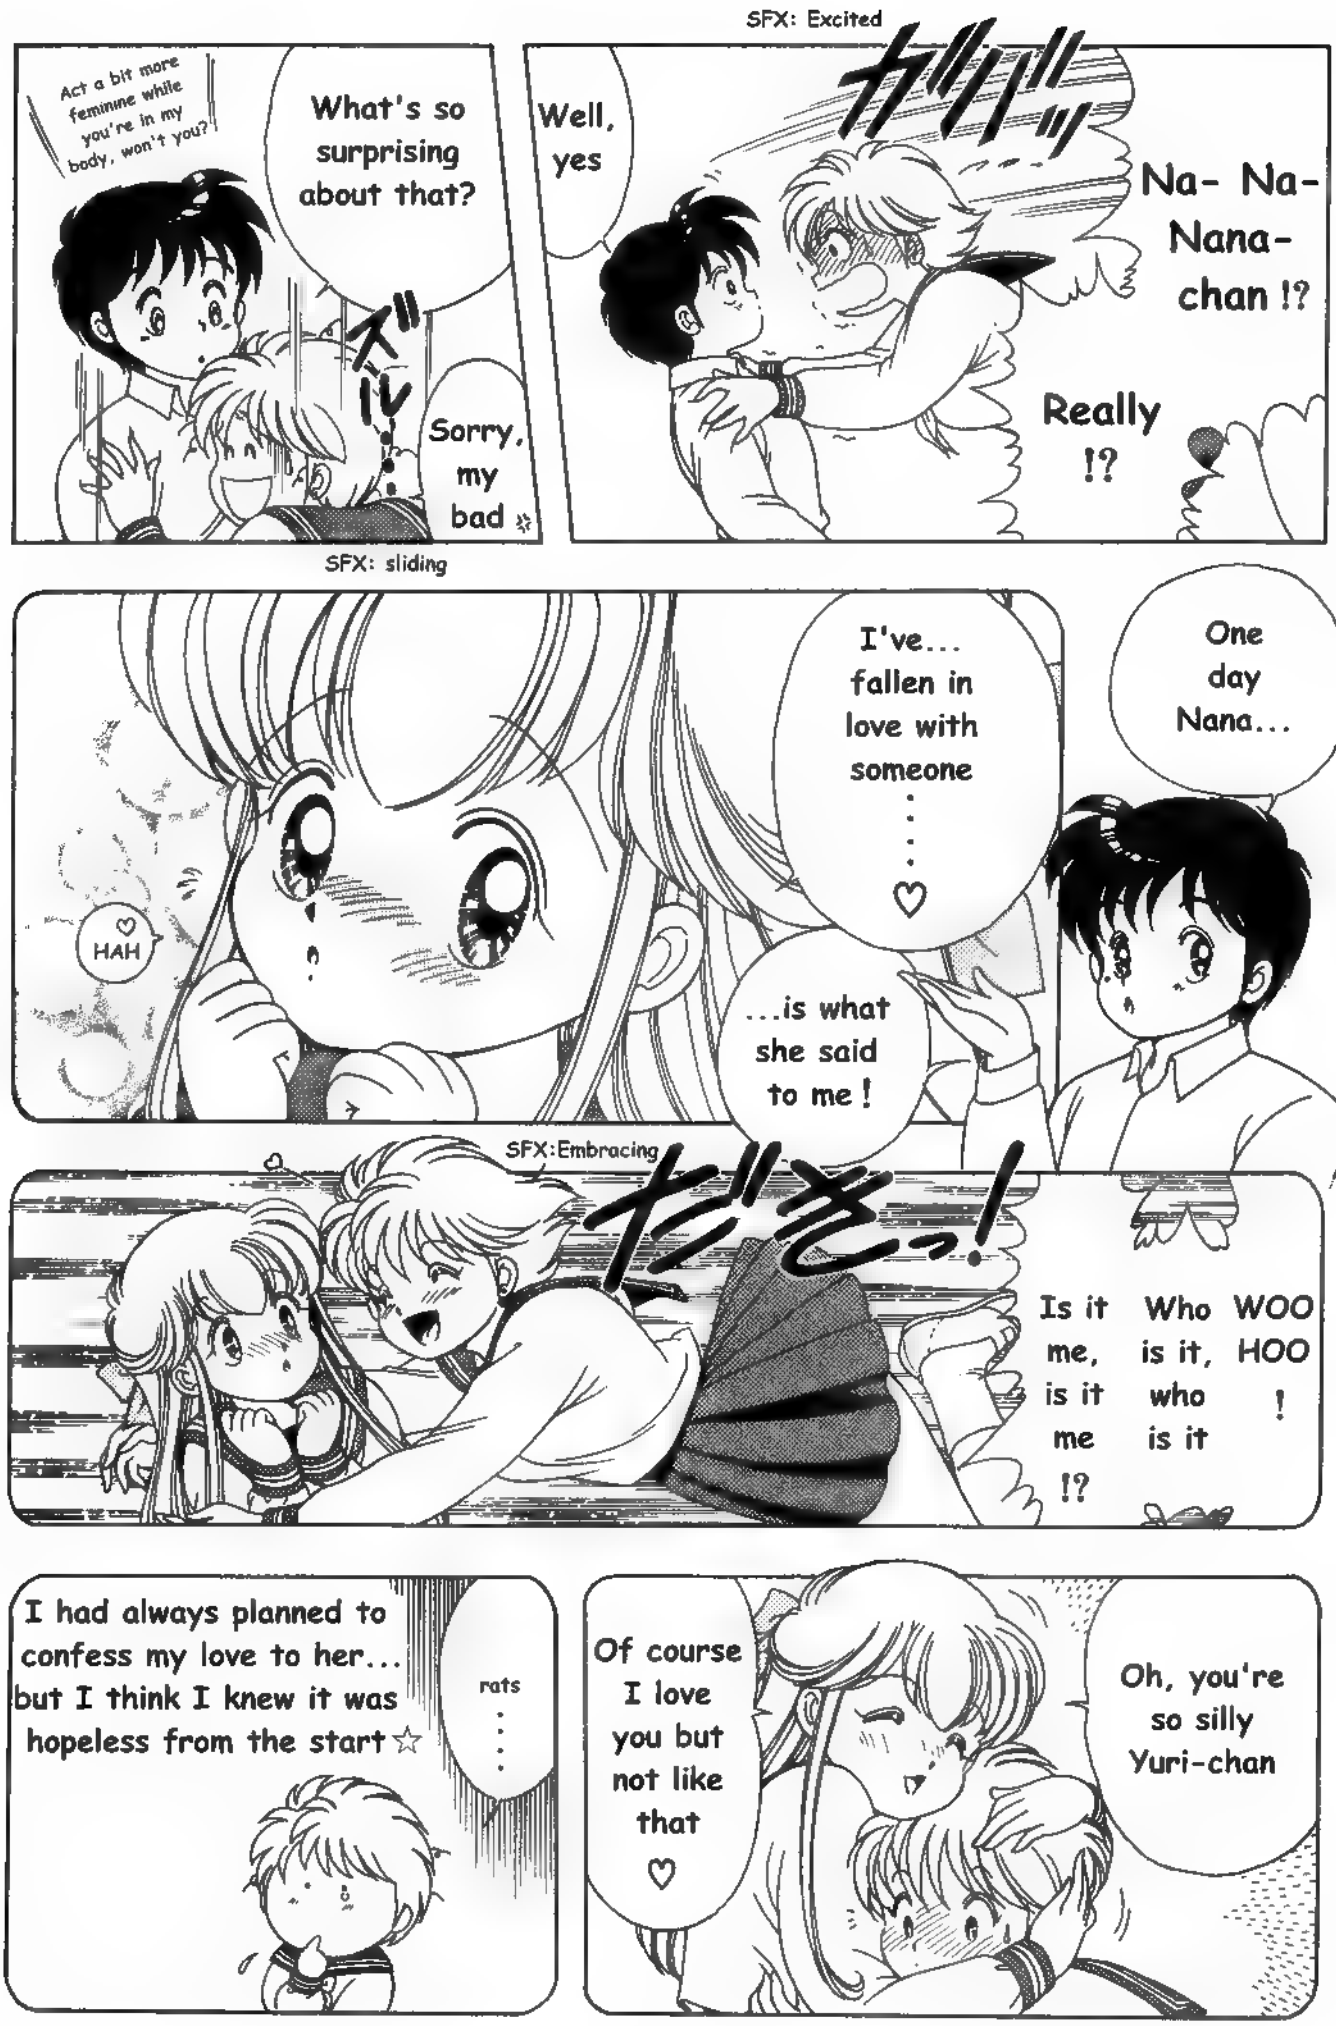
WRHGGJE
NGG
Give me back my body !!
I'm not effeminate !!
Quit that !

You didn't come all the way over to this school just to gloat at having stolen my body, did you?
SHAKING
Well, it's not that I really like being in your boy's body
After all it's not very good as boy's bodies go, I think you'd agree but it's the only one suitable for what I want to do !
So why did you do this to me !?
Quit messing me around
I'm in this body so I can finally tell Nana that I love her !!
EHHHH !!



Act a bit more feminine while you're in my body, won't you?
What's so surprising about that?
スル
Sorry, my bad ☆
SFX: Excited
Well, yes
カリリ
Na- Na- Nana- chan !?
Really !?
SFX: sliding

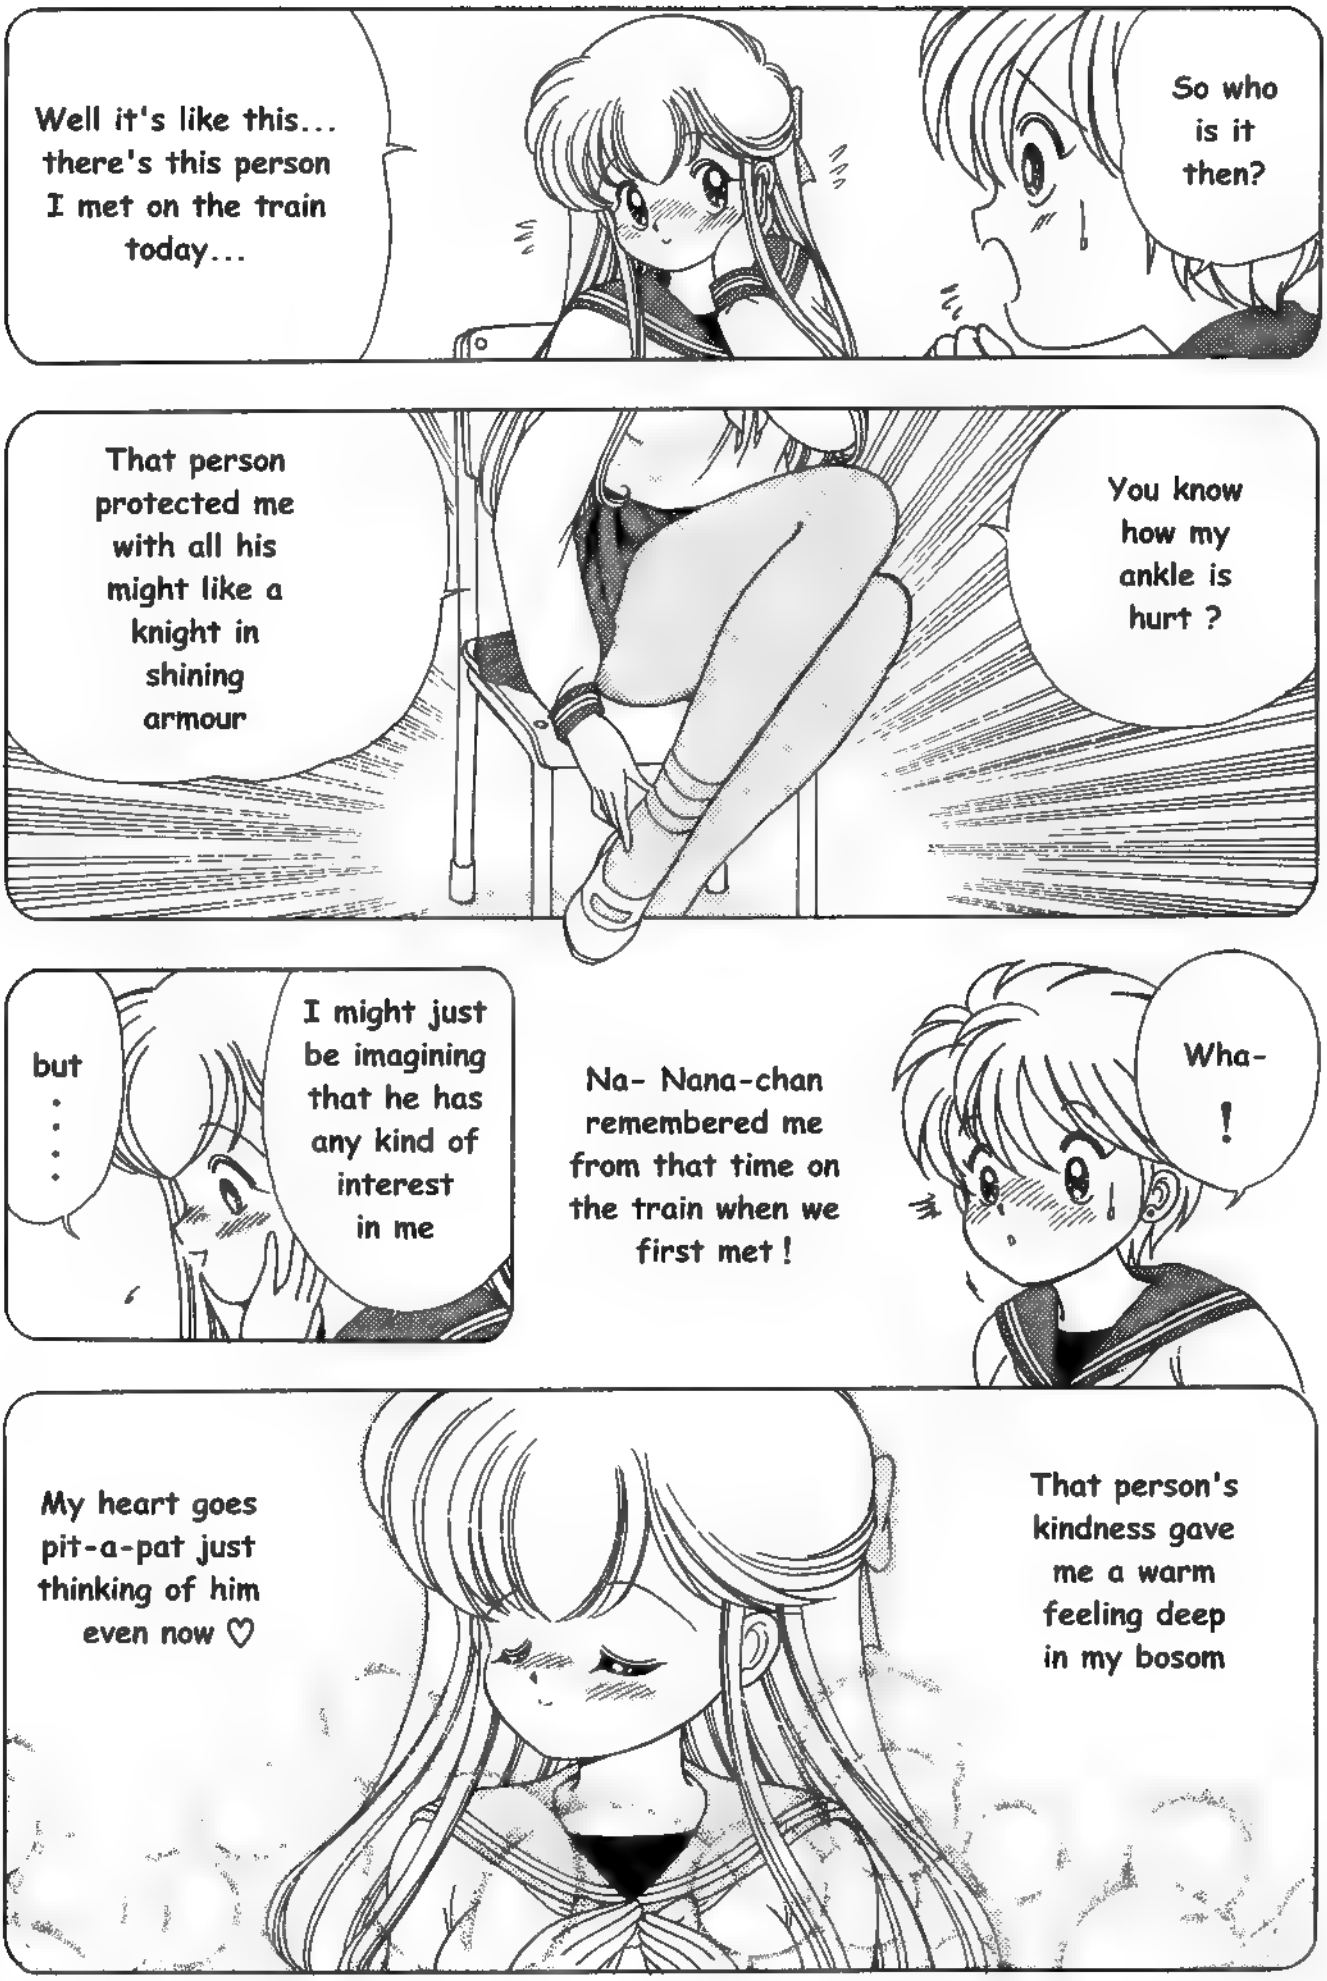
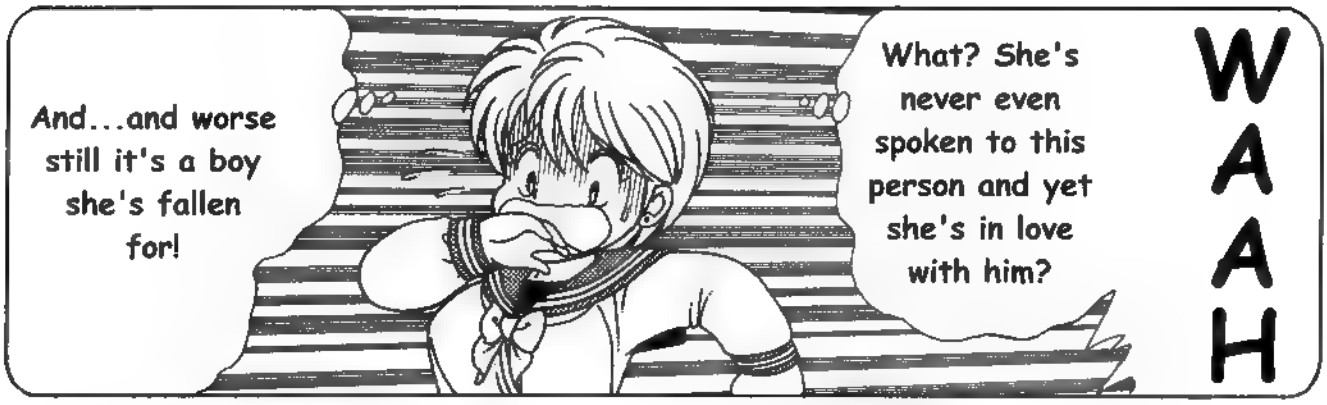
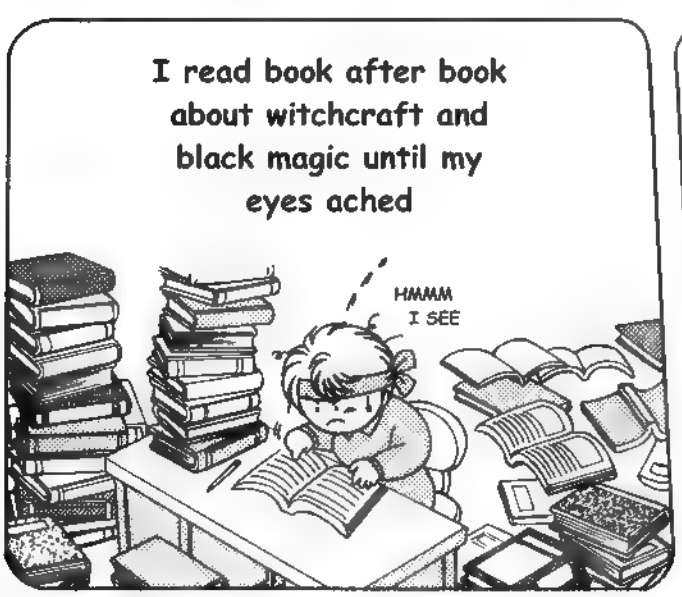
WOO HOO !
I had always planned to confess my love to her... but I think I knew it was hopeless from the start ☆
rats .....
Of course I love you but not like that ♡
Oh, you're so silly Yuri-chan

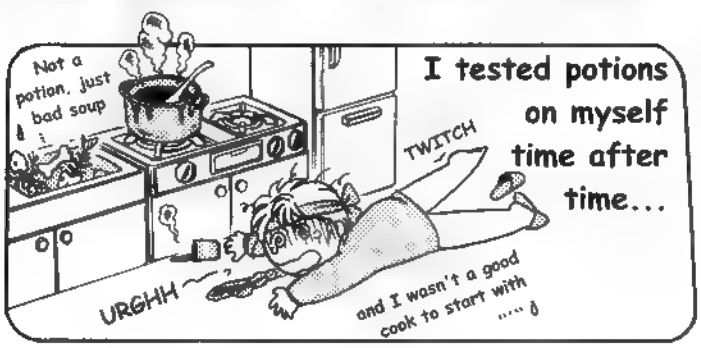


Well it's like this... there's this person I met on the train today...
So who is it then?
That person protected me with all his might like a knight in shining armour
You know how my ankle is hurt ?
but . . . .
I might just be imagining that he has any kind of interest in me
Na- Nana-chan remembered me from that time on the train when we first met !
Wha- !
My heart goes pit-a-pat just thinking of him even now ♡
That person's kindness gave me a warm feeling deep in my bosom



SFX: Tottering

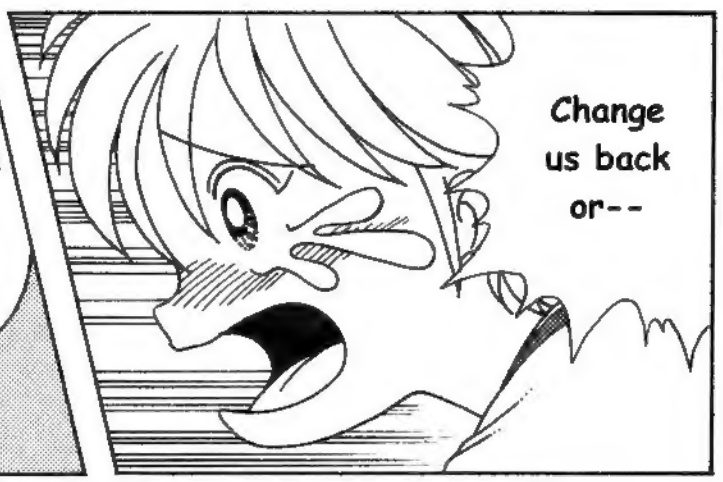




And I finally discovered a body-swapping spell !!
He's not been listening to a word I'm saying...
DOKI DOKI DOKI
bashful
DOKI DOKI DOKI
Soooo... Nana-chan has feelings for me . . . .
HUH !
So anyway I'm going to openly confess my love to Nana-chan this Sunday as the man she admires. My passion for her will finally be returned !!
Y- you can't ! You're me, not me !
W- wait a minute !!

You won't get away with this !
It's me she likes after all !
I should be the one to confess to Nana-chan. not you !

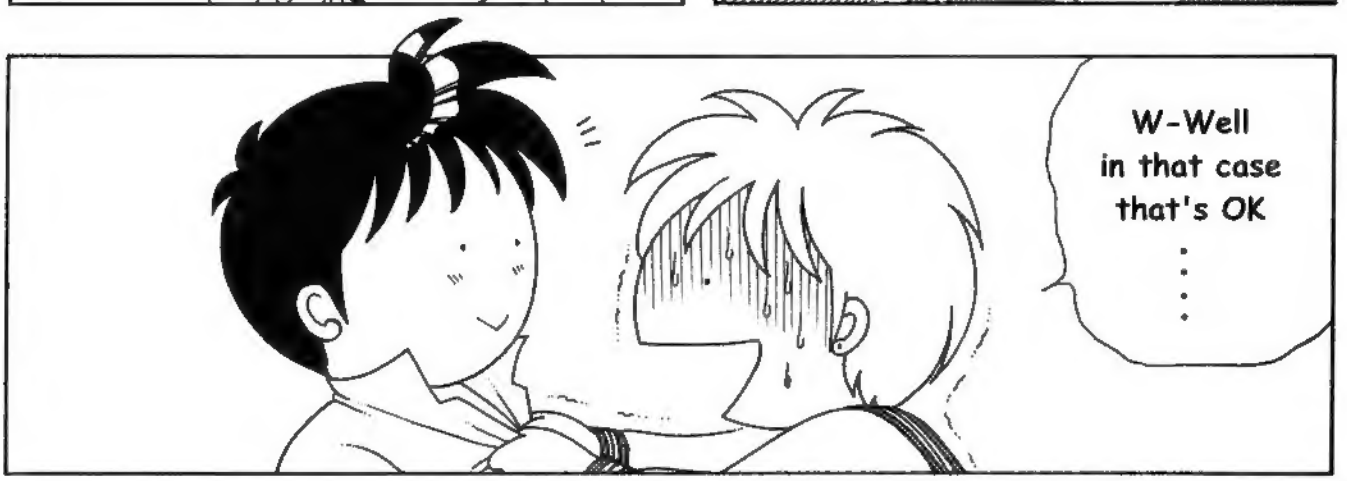
OK, OK, I'll change us back !



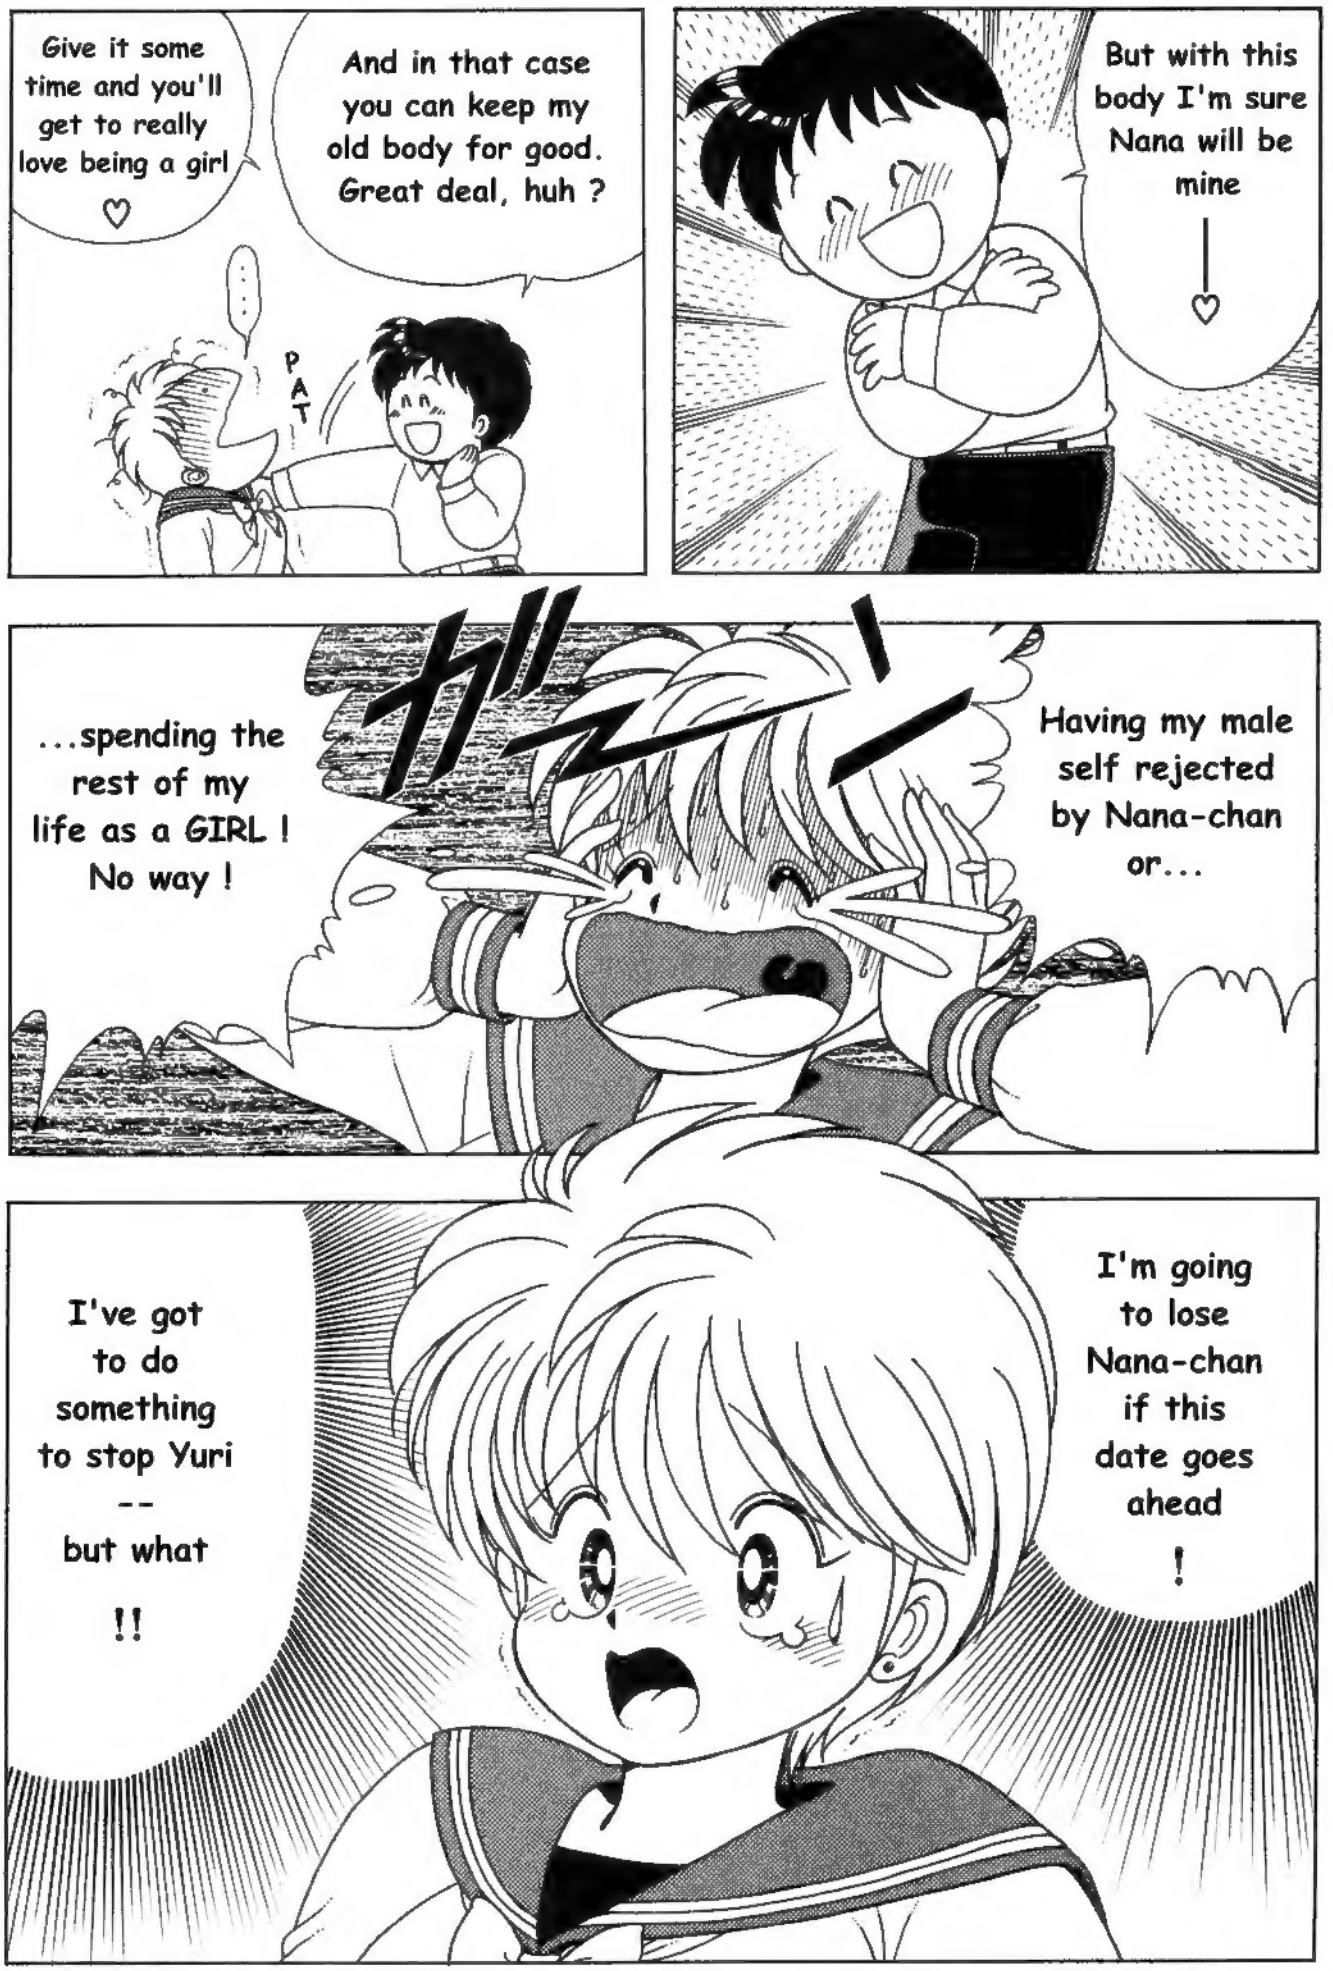
Change us back or--

and if I get rejected !
After I confess to Nana on our date
. . .

Eh, really !?



W-Well in that case that's OK
. . .



Give it some time and you'll get to really love being a girl ♡
And in that case you can keep my old body for good. Great deal, huh ?
...
PAT
But with this body I'm sure Nana will be mine ♡
...spending the rest of my life as a GIRL ! No way !
ガーン
Having my male self rejected by Nana-chan or...
I've got to do something to stop Yuri -- but what !!
I'm going to lose Nana-chan if this date goes ahead !
